

How to register with USA Swimming

For swimmers registered with USAS currently or before

1. Find your child's USA Swimming ID. If you really have difficulty to find the ID, send an email to mountainswimming@gmail.com, requesting for your child(ren)'s ID(s). You will need the ID(s) in the step 3) below. In this way, there is less chance for you to mistakenly use the ID of other swimmers.
2. Get to page <https://hub.usaswimming.org>, click "[How to create an Account as a Parent - VIDEO](#)" on the webpage, or the article <https://usaswimming.thecloudtutorialusers.com/main/articles/1662596019661> , follow the steps there, to create an account as a parent.
3. click "[If you are a parent about to register your child, please create your account first - ARTICLE](#)" on the webpage, and follow the steps there for your child(ren).
4. To renew membership, log out from your and your child's accounts, and then login into your account as a parent through the webpage below <https://omr.usaswimming.org/omr/welcome/33744EF3AE0675>
